## MAYOR'S 2010 BUDGET MESSAGE

November 02, 2009

Mukilteo City Council  
Citizens of Mukilteo  
Mukilteo Business Community

*Reference: Transmittal of 2010 Preliminary Budget*

Dear Council and Mukilteo Community:

It is a pleasure to submit to you the 2010 budget for your review and action. This budget is a continuation of my plan to keep the City on solid ground for providing services to our citizens during 2010 and for years to come. My plan for the City recognizes the financially unsettling times we are experiencing as a community, but also recognizes the fact that we cannot control the economy as a whole. With this being said, my Budget lays out my vision for achieving our immediate priorities and implementing our long-term goals beyond 2010.

This year we will emphasize working with what we have and with what we are. To capture an outsiders point-of-view of who we are and what we have, let me share a few perspectives from CNN's 2009 poll and Money Magazine's August 2009 article on **100 Best Places to Live in America** and Standard & Poor's bond rating rationale.

- I can't say enough about how proud I am of having our beautiful City rated tenth best City to live in America by CNN and Money magazine. Money magazine states "Mukilteo happens to be drop-dead gorgeous, with views of Puget Sound, the Olympic Mountains, and the Cascades. More reasons to love it: top-notch schools and low property taxes."
- Additionally, Standard and Poor's spent many hours in understanding the City's finances and financial policies while developing their credit rating for our new Community Center Bond. Standard & Poor's research concluded by recognizing our City's unique financial position by bestowing their highest rating of AAA on us. There are only four other municipalities in the State to receive this high of a rating. This AAA rating states a lot more about what kind of City Mukilteo has become and where we are heading than simply telling investors we are a safe haven to invest in. To quote Standard & Poor's bond rating rationale, they state the basis for our credit strengths include:
  - "What we consider to be very strong wealth and income levels;
  - Maintenance of very strong unrestricted fund balances
  - Good financial policies and practices; and
  - Low to moderate debt burden with low carrying charges."

These amenities CNN, Money magazine and Standard & Poor's identify have only come into existence through thoughtful policy development and deployment. And these policies have been brought into existence through laboring many hours at Council meetings, Council Worksessions and Committee and Board Meetings. With this fact in mind, I extend my gratitude to Council for their many hours and dedication, and to the board and committee members for volunteering their time spent understanding, discussing and advising us and to my staff for their continued hard work and perseverance and to the citizens who have taken time out of their daily lives to share their thoughts with us. Thank-You.

Yes, we spend much time working on setting priorities, understanding details, creating a long-range financial plan, updating the Comprehensive and Capital Facilities Plans all the while looking to the long term health, public safety and viability of our City. But we have more work to do and challenges to overcome.

**Keeping our City on solid ground** has been and will be a subject of discussion by Council and staff with citizens. This discussion centers on five areas: the City's Comprehensive Plan, maintaining our infrastructure, keeping our community safe, development of the City's Long-range Financial Plan and on protection of Paine Field for Boeing and airplane manufacturing.

The City's **Comprehensive Plan** has been in the process of being updated this past year and will be brought to Council for adoption at the end of 2009. This forward looking plan addresses much of what Mukilteo will look like by "comprehensively planning" for how we grow and develop as a city.

The **preservation of our infrastructure** will continue to be a priority as the 2010 budget adheres to our Pavement Management Plan. This plan calls for a minimum of \$600,000 annually to be expended on maintaining our transportation network.

My **main priority** for the past four years and continues for 2010: **Keeping Our Community Safe**. During the past four years we strategically staffed our Police and Fire departments with the goal to fully provide efficient, fast and reliable emergency medical, fire response and law enforcement. The 2010 budget provides funding to maintain this goal.

The City's financial health and stability is intricately linked to these top priorities. In 2009, we officially launched the City's **Long-range Financial Planning Team**. In 2010, this team will continue reviewing and recommending updates to the City's financial policies and financial plan. Once complete, the Long-range Financial Plan will serve as the backbone to how the City's budget will be developed and deployed.

**Protection of Paine Field for Boeing and airplane manufacturing** continues to be a priority under my administration. In 2010 my budget will:

- Advocate recognition of Paine Field as a unique resource of national importance requiring protection and funding for airplane manufacturing;

- Insist that commercial passenger aviation services not be encouraged at Paine Field; and
- Economic development is imperative to partner with County, State, academic and private business to attract other aeronautic businesses, technical training and a campus for aeronautics engineering to Mukilteo and Paine Field.

My 2010 budget plan recognizes that **2009 has been a particularly challenging year financially** not only for Mukilteo, but the region and nation as a whole. The weakness in our economy presented substantial challenges in developing the 2010 budget. The magnitude of the economic downturn resulted in a budget balancing strategy that included the use of expenditure reductions, revenue increases, use of reserves and undertake economic development initiatives. The specific actions associated with each of these strategies are discussed in greater detail later in this message.

**Providing services to our citizens** is why we (Mayor, Council and staff) are here. The 2010 budget utilizes our available resources as anyone would that is on a tight budget. That is, this budget is an exercise in frugality, yet funds our top priorities of keeping our community safe and maintaining our infrastructure.

With much ground work laid during my first four years as Mayor, I again invite you to continue working with me and our staff in making Mukilteo the most viable and livable city that together we can be proud of.

#### Budget Overview

The 2010 Budget picks up where 2009 left off by emphasizing public safety, financial stability and effective management, infrastructure preservation, environmental protection and sustainability, park and recreation enhancement and increased and transparent communication between the city and our residents.

#### Highlights of Funded Programs:

1. Full funding of our career fire department with enhanced emergency medical response capabilities;
2. Crime prevention program with opportunities for neighborhood involvement;
3. Completion of the second phase of Lighthouse Park;
4. Completion of the new Rosehill Community Center;
5. Continued investments to rebuild and maintain our street and stormwater systems;
6. Investment in our Information Technology to protect our digital information;
7. Webcasting of Council meetings;
8. Funds for lobbying to protect Mukilteo's interests and obtain federal assistance;
9. Updating the City's Comprehensive Plan;

#### Expenditure Reductions & Savings Include:

1. Includes no cost of living increases for all staff with the exception of police and fire.
2. Limits travel and training expenditures to those who need either mandatory training or need to maintain their professional certifications.

3. Curtails 2010 equipment replacement contributions from all funds.
4. Trims professional services expenditures to include mandatory services such as auditor, project design services, comprehensive plan development, and training services.

### Taxes and Fees

A significant impact to the 2010 budget is largely out of our control. My budget recognizes that the economy will experience a slow recovery in 2010 and that we have to continue to live with the new reality of 25% lower sales tax collections. The budget includes little or no increases in our utility tax receipts. Additionally, development related revenues are anticipated to decline 22% from 2009.

I am recommending that the City collect the statutory 1% increase in general property taxes (\$44,317). I am recommending a new administrative fee be charged to the solid waste companies operating within the City. This new revenue source is estimated to generate \$190,000 annually.

### Reduction of Reserves

In 2009, we implemented a Fund Balance Reserve Policy for several of our operating funds. For the General Fund, the City's primary operating fund, the policy requires the equivalent of two months, or 16.67% of operating expenditures be maintained in reserves. At the end of 2010, the projected General Fund reserve will equal 33% of expenditures, a decrease of 6% from the prior year. The large General Fund Reserve provides the City with a "safety net" to weather the continued economic downturn.

### Economic Development

Economic Development will be my personal commitment and staff goal throughout 2010. Our efforts will specifically focus on four areas:

- Support of Boeing
- Business retention
- Business recruitment; and
- Business expansion.

Like Council, I realize the importance of Boeing and the aeronautics industry to our quality of life and our very existence as a community. We will work tirelessly

to maintain Paine Field for Boeing and will work to recruit suppliers and like minded aeronautics companies to the Mukilteo area. I will also partner with other Snohomish County communities and business groups to recruit public or private technical and higher education programs to the Paine Field area that will support aeronautics with training and jobs.

I also realize the importance of our City's retail and industrial companies and we will work to reach out and visit as many of our 900 business licensees as possible. We will thank them for being here and determine how we can help them. We will work with banks, Everett and

Edmonds Community Colleges, Mukilteo Chamber of Commerce and business assistance agencies such as the Northwest Business Center to help Mukilteo businesses not only survive but thrive. Successful business expansion is most likely to come from existing Mukilteo companies when we work to create a business friendly (Top Ten Cities) environment.

### The 2010 Budget

Anticipated revenues for all funds total \$18.5 million and are 44.7% lower than 2009. Rosehill Community Center Bond proceeds of \$12.9 million were received in 2009, which accounts the majority of 2010 revenue reduction.

Total expenditures are \$30.8 million and are \$214,214 or .69% less than last year's budget. Proposed operating expenditures total \$15.2 million or 5.5% less than the prior year; operating transfers are \$2.5 million or 5% less than the prior year, and capital improvements are \$12.1 million or 7.7% more than the prior year.

Keeping with the City's fiscally conservative approach, the budget includes a protected City Reserve of \$1,000,000 and an estimated ending General Fund balance of \$4,123,450.

### Closing Comments

Thank you Councilmembers who took time to participate in our Budget Worksessions. Your questions and comments have been excellent, and many of your suggestions have been incorporated into the budget.

This Budget protects Mukilteo as a wonderful place to live and work. It is my top priority to keep our community safe, attractive to business and residents and make living in our community one of the best deals in the region.

It is my hope that I and my staff will increase the transparency, readability and usability of City Policies, Procedures and complete the City's Long-range Financial Plan during 2010.

My staff and I look forward to working with the Council over the next several weeks, and responding to any budget related questions that may arise from you or interested citizens.

This budget will ensure that citizens will feel safe and will provide greater access to City services in 2010 and beyond.

Thank You,

A handwritten signature in cursive script that reads "Joe Marine".

Joe Marine  
Mayor

## THE PRELIMINARY BUDGET BUILDING PROCESS

This section is intended to briefly share the mechanics behind the creation of the proposed 2010 budget.

First, staff used a Baseline Budget approach to begin the process. Essentially, a Baseline Budget is each Department's minimum budget needed to operate their respective businesses, without cutting back on any services. Additional discussion related to Baseline Budgets follows below.

Second, if Departments find a need to change how they operate or see the need to expand services that requires additional expense, they have been instructed to complete a Decision Package. The intention of the Decision Package request form is to assist you in understanding:

- What staff is asking for,
- Why staff is requesting the item,
- Brief explanation of alternatives if there are any,
- Identification of the source of funding for the requested item, i.e., ending cash, grants/contributions, General Fund subsidy, or other,
- Each Decision Package:
  - Identifies whether the requested item is a "one-time" expense or if the item has ongoing costs in subsequent years,
  - Identifies if the item is a new expense or is an increase to their current budget, and
  - Notes Baseline Budget if applicable.

**BASELINE BUDGETS** Baseline Budget is the minimum budget needed for Departments to offer their services to citizens. The baseline was established by utilizing Department's original 2009 adopted budgets less all one-time expenditures as identified during the 2009 budget. The baseline budgets include mandated increases. Mandated increases are costs that are out of Department control. Examples are: salaries, benefits, and utilities.

Exhibits 1 through 7 have been included to assist with an overview/analysis of the preliminary 2010 budget.

Exhibit 1 lists projected 2010 beginning fund balances, revenues, expenditures and ending fund balances for each fund.

**Expenditures:**

The annual budget for the City is divided into five major components, which include all appropriations (all Governmental and Enterprise funds) for the City.

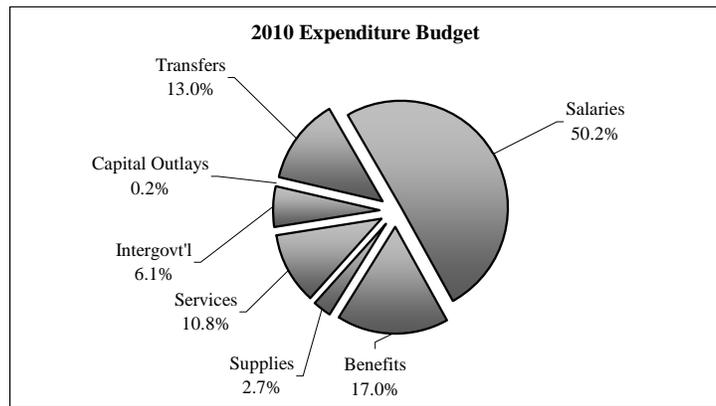

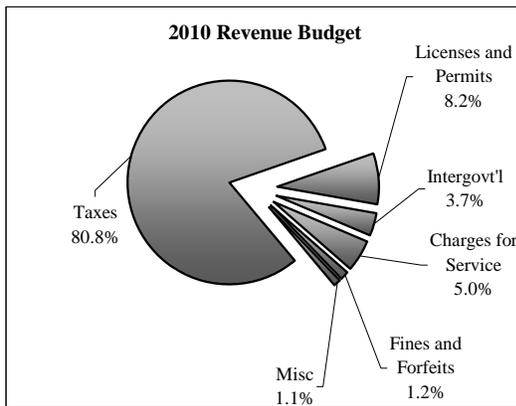

- The **operating budget** finances the day-to-day provisions of the City, consisting of supplies, services and intergovernmental, and totals \$4,281,060.

- The **personnel services budget** consists of the salaries and fringe benefits for all the City’s employees. The amount budgeted for personnel services is \$10,923,610.
- The **capital outlay budget** funds the construction or improvement of City facilities and infrastructure and the purchase of various types of machinery and equipment. Capital infrastructure improvements are budgeted within the various City accounts. The capital improvement project budget totals \$12,121,730.
- The **debt service budget** is used to repay money borrowed by the City, primarily for capital improvements, and amounts to \$907,960.
- The **transfers in/out budget** of \$2,547,840 represents the amount of funds transferred from one fund to another.

The 2010 expenditure budget for all funds totals \$30,782,200.

Exhibit 7 below is the master list for this year’s Decision Packages. As noted earlier, the intention of the Decision Package request form is to assist you in understanding why staff is requesting additions to their baseline budgets. Individual Decision Package details can be found following each Department’s budget summaries.

**Exhibit 7: Decision Package Master List**

## LEGISLATIVE DEPARTMENT

The Legislative Department includes the City Council. The City Council is responsible for establishing policy direction for the City through the adoption of laws, policies, procedures, and programs.

The City Council approves the City Budget, all ordinances, resolutions, contracts, fees, and programs. The City Council meets four times each month at regularly scheduled meetings and meets, as needed, to discuss special interest matters.

The City Council consists of seven members who serve four-year terms. Terms are staggered so that no more than four Councilmember positions are up for election at any one time.

## City Council

### PURPOSE

The City Council establishes policy direction for the City organization by adopting ordinances, resolutions, programs, priorities, and procedures.

The City Council is authorized to: adopt local laws, which are called ordinances; adopt resolutions, which are formal statements of the Council’s policy direction; approve agreements for services, supplies, or programs; approve and adopt an annual budget which appropriates funds for City programs; and approve payment of City monies.

City Councilmembers are elected by “position number” to four year overlapping terms, so that three to four Councilmembers are up for election every two years.

Annually, the City Council selects a President and Vice President from among its membership, assigns Councilmembers as representatives to outside agencies, approves organizational work plans and priorities, and meets with County, Regional, State, and Federal representatives to secure legislation beneficial to Mukilteo.

### PERFORMANCE INDICATORS

	<u>2008</u> <u>Actual</u>	<u>2009</u> <u>Est.</u>	<u>2010</u> <u>Est.</u>
Council Meetings	39	46	43
Formal Actions Taken	252	191	221
Ordinances Adopted	29	13	21
Resolutions Approved	31	32	31

### 2010 GOALS & OBJECTIVES

- To establish clear policy direction and priorities for City operations.
- To establish annual work plans for City commissions and boards.
- To protect the community against Paine Field Airport expansion.
- To pursue State and Federal legislation beneficial to Mukilteo.
- To pursue responsible development for the Mukilteo Landing Waterfront Development.
- To efficiently and effectively communicate with the public through Council Meetings, Chime-In Meetings, and public information programs.

## EXECUTIVE DEPARTMENT

The Executive Department provides overall management direction to the City organization. The department is responsible for implementing policy direction, overseeing and managing City operations, coordinating operations and evaluating City programs.

The Department prepares and recommends an annual budget, executes all City contracts, maintains the City’s official public records, provides Risk Management services, and prepares analyses and reports as necessary to help optimize City operations and clarify policy direction.

The Executive Department consists of the Administration, Human Resources and City Clerk Divisions, which are described within this section.

## Administration

### PURPOSE

The Administration Division manages and directs the operations of the City. The Mayor serves as the Chief Executive Officer and is elected to a four-year term. The Mayor appoints the City Administrator, with confirmation by the City Council.

The City Administrator oversees all City operations, implements policy direction established by the Mayor and City Council, manages the daily operations of the City, and establishes work plans for departments. Through department heads, the City Administrator coordinates operations, develops programs, evaluates performance, and manages activities to assure City services are effectively and efficiently provided.

The Administration Division is responsible for conducting economic development efforts including retention, recruitment, reinvestment and expansion of businesses.

The Division is accountable for advertising and maintaining all Boards, Commissions and Committees within the City.

This Division also maintains the City's official public records, coordinates and processes liability claims and lawsuits involving the City, monitors public information requests, prepares public outreach information, manages and maintains the City's web site, and provides direct staff support to the Mayor and City Council.

### POSITION SUMMARY

\*Dental and Vision benefits were previously budgeted to the Self Insurance Health Benefit Fund. Beginning in 2009, these benefits are budgeted directly to each department.

## Human Resources

### PURPOSE

The Human Resources Division provides support services to the organization through the recruitment, selection, training, and evaluation of employees. These functions are performed by employees of the Executive Division.

The Division conducts employee recruitments, background investigations, and employee orientations and exit interviews.

The Division also monitors the performance of all city employees and assures that regular constructive evaluations and training are provided.

The Division conducts studies of position classifications, compensation evaluations, and monitors employee attendance and performance.

The Division coordinates and manages employee benefit programs and handles all civil service related activities required by State Law.

The Division handles informal and formal grievances, arbitration actions, represents the City in negotiations or actions with employee unions, and participates in negotiations of all labor contracts with the City's 4 union-represented employee groups.

### 2010 GOALS & OBJECTIVES

- To recruit and hire qualified candidates for position vacancies.
- To continue revising a comprehensive update of the City's Personnel Manual.
- To develop administrative guidelines and evaluations for personnel.
- To conduct a full review of employee benefit packages.
- To develop, coordinate and monitor training programs.
- To comply with state and federal employee regulations, providing updated material and programs for employees.
- To complete negotiations for new labor agreements.

## Legal Services

### PURPOSE

The Legal Services subdivision provides two main types of legal services to the City: City Attorney services and City Prosecutor services.

City Attorney services include providing legal advice to the Mayor, City Council, City Commissions and Boards, and City Departments. The City Attorney prepares and/or reviews City ordinances, resolutions, and agreements; reviews and advises the City regarding new Federal and State legislation; and provides general and specific legal advice on all City matters. The City Attorney defends the City against claims not covered by the City's liability insurance program, represents the City in grievance and interest arbitration with its employee unions, and represents the City in general litigation matters. City Attorney services are provided through contract with the law firm of Ogden Murphy and Wallace of Seattle.

City Prosecutor services include prosecution of civil or criminal matters related to violations of the Mukilteo Municipal Code. City Prosecutor services are provided through contract with a private attorney.

### PERFORMANCE INDICATORS

## Judicial Services

### PURPOSE

The Judicial subdivision provides district court services to the community which includes the cost of hearing criminal and civil traffic infraction cases filed by the City.

The Division provides these services through an interlocal agreement with Snohomish County district court system.

In addition to district court functions, the Division includes costs to provide State-required defense of indigent defendants and payment of witness fees.

**Division:** Judicial Services and Legal Services  
**Decision Package Title:** District Court  
**Preparer:** Scott James  
**Account Number:** 011.12.512.500.5125, 011.12.512.810.4104 & 011.15.515.200.4115

**Ranking:** 2

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:** X      **New Cost:**    
**One-Time Cost:**        **Increased Baseline:** X

**Item Description:** The County Prosecutor is trying less cases as felonies. Instead, the Prosecutor is allowing defendants to plead to a lesser charge which can be tried as a misdemeanor. Misdemeanor cases are heard in Everett District Court, which also places the financial burden of trying the case on the City. This decision package increases the Everett District Court Baseline budget by \$13,000 to total \$70,000 for 2010 and the Special Legal Services Baseline budget by \$3,000 to total \$18,000 and the City Prosecuting Attorney Baseline budget by \$4,290 to total \$43,000.

**Brief Explanation Why Your Department Needs This Item:** To provide budget authority to match projected expenditures.

**What Alternatives Are Available, if Any?**

## Accounting

### PURPOSE

The Accounting Division fulfills all accounting/treasury functions, which include accounts payable, accounts receivable, payroll, cash management, auditing, job costing, investing, budgeting, and financial reporting. The department also issues all business and some specialty licensing, and provides purchasing services.

<u>POSITION SUMMARY</u>		
Position Title	2009	2010
Finance Director	1	1
Accounting Services Manager	1	1
Staff Accountant	1	1
Accounting Technician	3	3
Total	6	6

### 2009 ACCOMPLISHMENTS

- Completed 2008 CAFR and submitted application for award to GFOA.
- Received 2009 Budget award from GFOA.
- Implemented online Payroll/HR system
- Conducted online timesheet training sessions for City staff.
- Conducted travel policy training sessions for City staff.
- Completed implementation of fixed assets management system.
- Updated Finance Department archives and implemented system for ongoing management.
- The following policies were written by the Finance Department and adopted by the City Council:
  - Investments Policy
  - Capital Assets Policy
  - Fund Balance Reserve Policy

### 2010 GOALS & OBJECTIVES

- Submit 2010 budget for GFOA Distinguished Budget Presentation Award.
- Submit 2009 CAFR for GFOA award.
- Implement purchasing card program.
- Improve financial reporting through customized reports.
- Revise the City’s business licensing structure to be more small-business friendly and to streamline processes.
- Implement GASB 54, Fund Balance Reporting and Governmental Fund Type Definitions.
- Continue to create and/or strengthen policies and procedures as needs are identified.

\*IT support staff budget moved to IT department in 2010.

\*\*Dental and Vision benefits were previously budgeted to the Self Insurance Health Benefit Fund. Beginning in 2009, these benefits are budgeted directly to each department.

## Information Technology

### PURPOSE

The Information Technology (IT) Division administers the City's technology infrastructure. The core components of the technology infrastructure include: servers, routers, switches, telephone system, desktop workstations, laptops, printers, server based operating systems, server based back office software products, desktop operating systems as well as software utilized at the workstation level.

IT strives for maximum performance, efficiency and reliability on a 24 hour basis. IT is responsible for the backup, integrity and security of the city's data and is also responsible for the city's technology assets.

IT provides all internal technology support including server infrastructure, networking operations, helpdesk support, as well as the configuration, installation and maintenance for each device and application.

IT stays aware of current and upcoming technologies and performs analysis of new technologies to make recommendations to the city. New technologies are introduced to the city after a careful review process and an implementation plan is created and approved.

IT coordinates with emergency 911 services to maintain accurate dispatch/records.

IT is also responsible for centralized technology review and purchasing to assist in achieving city goals.

### POSITION SUMMARY

### 2010 GOALS & OBJECTIVES

- Refine our helpdesk support objectives to provide a more user accessible trouble ticket interface and provide trouble ticket reporting capabilities.
- Introduce an email archiving systems to enable immediate searches to historical data and meet with compliance standards.
- Update our connectivity to a fiber based system that will also allow us to interconnect directly with our 911 dispatch center and surrounding cities.
- Increase public safety by providing the means for our mobile field units to be able to access our internal private network and communicate with outside entities via the internet.
- Enhance our data storage capabilities as well as introduce a method to ensure business continuity and increase our RPO and RTO by introducing a SAN replication solution.
- Streamline our EOC so that we can meet city objectives for setup and data availability.
- Develop a 5 year IT Strategic Plan.

**DECISION PACKAGE**

**Department:** FINANCE  
**Division:** INFORMATION TECHNOLOGY  
**Decision Package Title:** Email Storage and Archiving Solution  
**Preparer:** David Varga  
**Account Number:** 120.18.594.800.6402  
**Ranking:**

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost: \***  **Increased Baseline:**

**\* This is a one time cost for hardware and initial software purchase, annual software maintenance will be an ongoing cost.**

**Item Description:** An email solution designed to capture and retain all non spam email that is delivered and sent from an institution. This solution also provides the capacity to research prior email activity on demand as well as preserve data due to legal issues. This solution also provides the storage capacity to eliminate unprotected .pst files.

**Brief Explanation Why Your Department Needs This Item:** Our current email environment has numerous vulnerabilities including potential lost email either residing on the information store of the Exchange server or email that resides on .pst files which do not get backed up. This year we spent over \$20,000 to research old email messages on back up tapes. This product would not only save us this potential expense but would also provide immediate search results to the requestor. The legal ramifications of losing potentially thousands of emails is hard to put a price on, this product would alleviate this potential disaster.

**What Alternatives Are Available, if Any?** There are several products designed to perform email vaulting but I am recommending we go with a vendor that is currently being utilized by other municipalities.

## DECISION PACKAGE

**Department:** FINANCE  
**Division:** INFORMATION TECHNOLOGY  
**Decision Package Title:** Computrace recovery software for laptops  
**Preparer:** David Varga  
**Account Number:** 120.18.594.800.6402  
**Ranking:** 2

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:** X      **New Cost:**    
**One-Time Cost:**        **Increased Baseline:**  

**Item Description:** Recovery software primarily designed for laptops installs a small trace program so if a laptop gets stolen we can recover it or receive compensation from the vendor.

**Brief Explanation Why Your Department Needs This Item:** For less then the cost of one toughbook we can install a trace program to aid in the recovery of a toughbook or laptop if it gets stolen. The trace is activated within the hardware of the device so even if the machine is rebuilt we can still locate it and retrieve it.

**What Alternatives Are Available, if Any?** There are several companies out there offering this service. I have used Computrace in the past and would recommend it.

## DECISION PACKAGE

**Department:** FINANCE  
**Division:** INFORMATION TECHNOLOGY  
**Decision Package Title:** ISCSI SAN Storage Solution for CH and EOC  
**Preparer:** David Varga  
**Account Number:** 120.18.594.800.6402  
**Ranking:** 3

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:** X **New Cost:**    
**One-Time Cost: \***   **Increased Baseline:**  

**\* This is a one time cost for hardware, plus cost for ongoing annual maintenance.**

**Item Description:** Hardware devices designed to store data in a centralized depository as well as provide the means to automatically replicate data for continuity and disaster recovery purposes.

**Brief Explanation Why Your Department Needs This Item:** There is a need to increase our storage capacity as we will see declining availability of storage as the needs to store more information as digital grows. Not only does a modern storage solution provide the extra data storage needed it also provides replication and the potential for future deduplication. Replication provides a means to insure our data integrity as well as gives the ability to snapshot data providing for better backup solutions. Deduplication provides that ability to not have multiple instances of a single file stored in storage thus helping to reduce the overall size of storage. By replicating our data to the EOC via a hardware based storage solution we would have the ability to quickly access important City files in case of an emergency.

**What Alternatives Are Available, if Any?** We do need to address our storage needs at the City. There is always the option of buying a cheap server with large disk capacity and possibility implemented DFS to copy critical data to the EOC. This possibility would work but there we be slow data access (IOPS) as well as the lack of scalability and reliability that we would have with a specifically engineered scalable storage solution.

## Community Support

### PURPOSE

The Community Support division includes costs associated with conducting programs, services, events or activities that promote the City, community or outreach services to the residents and businesses of Mukilteo. The division also provides support for community groups, including Community Support Funding to promote tourism and economic development and for events such as the City co-sponsored Mukilteo Lighthouse Festival.

## Hotel/Motel Lodging Tax Fund

### PURPOSE

This fund receives the 2% hotel/motel tax assessed on hotels/motels within the City. State of Washington RCW's restrict the use of the tax to fund tourism promotion and operations and/or maintenance of tourism facilities in the City.

The City has established a Lodging Tax Advisory Committee to advise Council on effective use of the fund's assets.

Each year, the Committee solicits grant application to fund tourism promotional opportunities within the City. The applications are reviewed by the Lodging Tax Advisory Committee, who then present their recommendations to Council.

### HOTEL/MOTEL LODGING TAX FUND

	<b>2008 Actual</b>	<b>2009 Budget</b>	<b>2009 Y.E. Estimate</b>	<b>2010 Budget</b>	<b>% Change</b>

## Other Governmental Services

### PURPOSE

The Other Governmental Services division contains costs that are not particular to any one department or activity. The division includes costs for general city memberships in professional organizations or associations and may include other uses that are not technically expenditures but are uses of budgetary funds.

These other uses of funds include such things as inter-fund loan repayments or transfers and contributions to other funds.

## Health Insurance Administration Fund

### PURPOSE

The City of Mukilteo self-insures dental and vision benefits for City staff. In 2008 and prior years, all vision and dental expenses were budgeted to and paid from the Health Insurance Administration Fund. Beginning in 2009, dental and vision expenses are budgeted to and paid from each department budget, and only the reserve is maintained in this fund.

Per State of Washington Office of Financial Management guidelines, the City is required to maintain a reserve balance equal to or exceeding 16 weeks of budgeted self-insured expenses. The minimum reserve requirement for 2010 is \$48,662. The current reserve amount maintained is \$50,000.

## LEOFF I Reserve Fund

### PURPOSE

The purpose of the LEOFF I Reserve Fund is to set aside funds to be used for the payment of medical premiums and medical expenses for LEOFF I retirees.

This fund was established in 2008 to segregate funds designated as LEOFF I Reserve Funds that were previously included in the Health Insurance Administration Fund.

### LEOFF I RESERVE FUND

## Unemployment Compensation Reserve Fund

### PURPOSE

Unemployment Compensation Expenses are budgeted directly to each department in 2009. The Unemployment Compensation Reserve Fund maintains a reserve balance to help offset unexpected expenditures from unemployment claims processed against the City.

### UNEMPLOYMENT COMPENSATION RESERVE FUND

### DECISION PACKAGE

**Department:** Non-Departmental  
**Division:** Risk Management  
**Decision Package Title:** 2010 WCIA Assessment  
**Preparer:** Scott James  
**Account Number:** 011.19.519.900.4601

**Ranking:** 1

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:** X      **New Cost:**    
**One-Time Cost:**        **Increased Baseline:** X

Item Description: This decision package will increase the insurance budget by \$41,760. The City's insurance provider, Washington Cities Insurance Authority, has increased our 2010 liability and crime/fidelity coverages by \$34,500 over our 2009 assessment. Also, the City's 2009 budget was \$7,260 under the WCIA's 2009 assessment.

Brief Explanation Why Your Department Needs This Item:

**Preparer:** Scott James  
**Account Number:** 011.19.597.200.5523 \$25,000 and 011.19.597.200.5530 \$4,870

**Ranking:** 2

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**   **New Cost:** X  
**One-Time Cost:** X **Increased Baseline:**  

Item Description: The Washington State of Financial Management guidelines require the City of maintain a reserve balance equal to or exceeding 16 weeks of budgeted self-insured expenses. The City currently has a reserve of \$45,125, which needs to be at least \$48,670 for 2010. This decision package would increase the reserve balance to \$50,000. The LEOFF I Reserve Fund has expenses charged to it on a regular basis, and needs to be replenished on a regular basis.

**DECISION PACKAGE**

**Department:** Non-Departmental  
**Division:** Public Affairs and Community Outreach  
**Decision Package Title:** Public Presentation Display  
**Preparer:** Krystn McArthur  
**Account Number:** 011.19.519.900.4138  
**Ranking:**

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

**Item Description:** This is for the purchase of a portable display to be used by all City Departments. This would replace having to create posterboards for public presentations and special events. It gives a more professional and polished representation.

**Brief Explanation Why Your Department Needs This Item:** Giving public presentations in Mukilteo, as well as our special events, is commonplace in promoting our community as a destination city. In 2009, the City gave 8 public presentations. Having this display would ease preparation tasks and all City Departments could use the display for their public presentation events.

**What Alternatives Are Available, if Any?** The alternative is to make poster boards as we have done in the past. The issue with this is that each presentation has a specific theme in mind, and having this display would simplify creating a display with the ability to use the same display for many uses.

## Administration and Support Services

### PURPOSE

The Administration and Support Services Division provides overall management of the Police Department and coordinates department activities with other City departments and outside law enforcement agencies.

Included in the Division are costs for interlocal services agreements for: radio and emergency dispatch; jail fees; and animal control.

The Division manages and performs clerical and record keeping duties; updates computerized criminal justice databases; issues concealed weapon and other licenses; provides fingerprinting services; maintains evidence and property room security; provides information and assistance to the public regarding law enforcement matters; and manages the Electronic Home Monitoring Detention Program.

### POSITION SUMMARY

Beginning in 2009, these benefits are budgeted directly to each department.

## Crime Prevention

### PURPOSE

The Crime Prevention Program was established as a separate division in 2009, to better track Crime Prevention costs for budgeting.

Activities include media releases, conducting Citizen Police Academies, coordinating the City’s National Night Out Against Crime Event. The Crime Prevention Officer also makes presentations to schools, civic clubs and homeowner associations.

This Officer conducts the False Alarm Reduction Program and performs Crime Trend Analysis. The Crime Prevention officer works with Block Watch groups and will supervise the new Volunteer Program starting in 2010.

### POSITION SUMMARY

Title	2009	2010
Police Officer	1	1
Total	1	1

### PERFORMANCE INDICATORS

Title	2009 Est.	2010 Est.
Volunteer Hours	0	100
Security Surveys	10	10
Presentations	25	30
Special Projects	5	10

### 2010 Goals & Objectives

- Establish a Police Volunteer Program
- Reestablish National Night-Out Against Crime Event
- Conduct at least one Citizens’ Police Academy
- Help establish new Block Watch groups
- Stay within budget

## Patrol

### PURPOSE

The Patrol Division provides 24-hour per day active police patrol service to the community, and maintains at least three Commissioned Officers on duty at all times.

Activities include uniformed police patrol; arrest of suspected criminals; traffic enforcement; responding to calls for service; crime prevention, detection, and investigation; traffic collision investigation; and citizen assistance.

The Division works with neighborhoods, citizens, businesses, and community groups to identify and resolve community problems.

## Special Operations

### PURPOSE

The Special Operations Division provides follow up investigation of all major crimes and supplemental law enforcement services.

Follow-up investigations of numerous felony and certain misdemeanor crimes, incorporates many of the following: crime scene investigation; identifying, developing, and pursuing leads; preparing and serving search warrants; conducting surveillance or undercover activities; interviewing suspects and victims; preparing suspect composite drawings; gathering and processing evidence; recovering stolen property; arresting and/or transporting suspects; and preparing cases for presentation in court.

The Division monitors registered sex offenders, and conducts background checks on prospective department members and City employees.

## FIRE DEPARTMENT

The Fire Department protects lives and property by providing Fire Suppression, Technical Rescue, Hazardous Material responses and Emergency Medical Services to the community. The Department is a combination department presently staffed by 29.5 full-time Career Personnel and 15 Reserve Firefighters together.

The Fire Department serves the City from two Fire Stations staffed by career personnel 24-hours per day, 365 days per year: Fire Station 24 (#1), located in the northern part of the City, and Fire Station 25 (#3), located in the central part of the City.

The Department is organized into five divisions:

<b><u>POSITION SUMMARY</u></b>

## Fire Administration

### PURPOSE

The Fire Administration division provides activities of a general nature up to oversight management of the Fire Department's five divisions and all personnel. This division provides direction to Department personnel in accordance with goals and objectives. This division oversees the operating budget, develops strategic planning and oversees disaster planning programs. All program documentation, processing and archiving is completed in this division.

### POSITION SUMMARY

Position Title	2009	2010
Fire Chief	1	1
Assistant Fire Chief	1	1
Senior Department Assistant	1	1
Department Assistant	0.5	0.5
<b>Total</b>	<b>3.5</b>	<b>3.5</b>

### 2010 GOALS & OBJECTIVES

- Personnel records, Emergency Response Reports, Training Records, Fire Inspection Records, Public Education records and other correspondences will be processed, filed and archived within Washington State Record Keeping and Archiving criteria.
- Fire Department five divisions and their operating budgets will maintain a positive financial balance and expenditures will be accurately paid out.
- Facilities, vehicles and equipment will be maintained in a ready-use condition.
- Establish department Goals and Objectives.

## Training

### PURPOSE

The Training division is responsible for all aspects of training and safety to include classes in tactics and strategy, fire suppression, emergency medical services, rescue and extrication, hazardous materials, disaster response, and leadership along with personnel management.

The Training Captain also serves as the department Safety Officer which encompasses emergency scene safety responsibilities, personnel health and safety in addition to non-emergency risk assessment and management.

### POSITION SUMMARY

### 2010 GOALS & OBJECTIVES

- Provide on-going training to meet State/Federal requirements and maintain job skills for all personnel.
- Increase regional training activity with neighboring fire department jurisdictions and other Snohomish County Public Safety Agencies.
- Increase personnel knowledge and abilities to perform emergency services through contracted instructors and professional trainers.
- Quarterly reporting of training statistics and accomplishments.
- Implementation (phase II) of professional development plan for department members.

## Fire Prevention

### PURPOSE

The Fire Prevention division provides fire safety inspections, fire prevention education and other community services. This division oversees Public Education programs, station tours, safety education classes and CPR programs.

The Fire Marshal performs technical inspections of buildings and facilities to determine conformity with the city fire and building codes. This division also conducts education services for fire prevention methods and other prevention programs. This division determines cause and origin of fires and prepares case material for prosecution.

Fire Safety Inspections & business data entry	600	500
Fire Safety/Prevention Education	600	400
Development Standards	-	300
Code compliance: Plan Checks & Field Inspections	600	500
Fire Permitting	150	200

### 2010 GOALS & OBJECTIVES

- Increase quality of business fire and life safety inspections.
- Increase quality of new and existing building code plan reviews.
- Increase participation in public education programs (CPR, Basic First Aid, emergency preparedness at home and business).
- Improve fire permitting and field inspection processes.
- Develop and implement Fire Code and City of Mukilteo Fire development standards.
- Enter and compile business and building complex data for business fire/safety pre-fire planning.
- Provide improved introduction and code compliance for new businesses.

## Fire Suppression

### PURPOSE

The Fire Suppression Division renders Fire Suppression, Hazardous Material and Technical Rescue services to the community and local region from two staffed fire stations. The Division regularly trains and performs drills on a local and regional basis to maintain skills and improve services. The Fire Suppression Division operates one 95' Ladder Platform, three Fire Engines, and one Rescue Unit.

### **2010 GOALS & OBJECTIVES**

In 2008, the Fire Department established an emergency response time deployment standard, as required by a new state law. The Department deployment standards are:

- Beginning the emergency response within 1 minute of being notified of a significant emergency structure fires. Achieve this response 90% of the time.
- First Engine Company arrives at the scene of a reported structure fire within 4 minutes of leaving the station. Achieve this response 90% of the time.
- Arrival of full first alarm assignment crews at the scene of a reported structure fire within 8 minutes of leaving the station. Achieve this response 90% of the time.
- Other deployment standards have been adopted for hazardous materials, aircraft emergencies, marine emergencies, and wildfires. However, these incidents do not occur frequently enough to accurately determine deployment and speed of response trends at this time.

## Emergency Medical Services

### PURPOSE

The Emergency Medical Services (EMS) Division provides Advanced Life Support (ALS) and Basic Life Support (BLS) services to the community with trained Paramedics and Emergency Medical Technicians (EMT's). Both fire stations are cross-staffed with ambulance services.

The division provides paramedic ALS services through a contract with the City of Lynnwood. One ALS unit is staffed with two paramedic/firefighters 24/7 and responds from the City's main Fire Station, located on Harbour Pointe Blvd N at 47<sup>th</sup> Pl W.

### 2010 GOALS & OBJECTIVES

In 2008, the Fire Department established an emergency response time deployment standard, as required by a new state law. The Department deployment standards are:

- Beginning the emergency response within 1 minute of being notified of a significant emergency (critical advanced life support medical emergencies). Achieve this response 90% of the time.
- First medical vehicle arrives at the scene of a reported critical advanced life support medical emergencies within 4 minutes of leaving the station. Achieve this response 90% of the time.
- Arrival of full first alarm assignment composed of basic life support and paramedic unit at the scene of a critical advanced life support medical emergency within 8 minutes of leaving the station. Achieve this response 90% of the time.
- Establish Quality Assurance (QA) program to the EMS Division through Medical Service Officer (MSO) oversight.

\*Dental and Vision benefits were previously budgeted to the Self Insurance Health Benefit Fund.  
Beginning in 2009, these benefits are budgeted directly to each department.

**DECISION PACKAGE**

**Department:** Fire Department  
**Division:** Fire Suppression  
**Decision Package Title:** SNOCOM  
**Preparer:** Fire Chief Springer  
**Account Number:** 011.22.522.200.5130  
**Ranking:** Mandatory

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

Item Description: Assesment for 911 Emergency Dispatch Services

Brief Explanation Why Your Department Needs This Item: A portion of this increase is due to a 1.5% increase in operations costs for the SNOCOM Dispatch Center. The majority of this increase will pay for a new records management system at SNOCOM.

## PLANNING & COMMUNITY DEVELOPMENT

The Planning and Community Development Department is responsible for developing long-range plans to help guide the City’s physical development, as well as regulating land uses and administering the development process. Building is responsible for building plan review and inspections. The Permit Center supports planning, development and building activities, as well as Public Works engineering projects & development review.

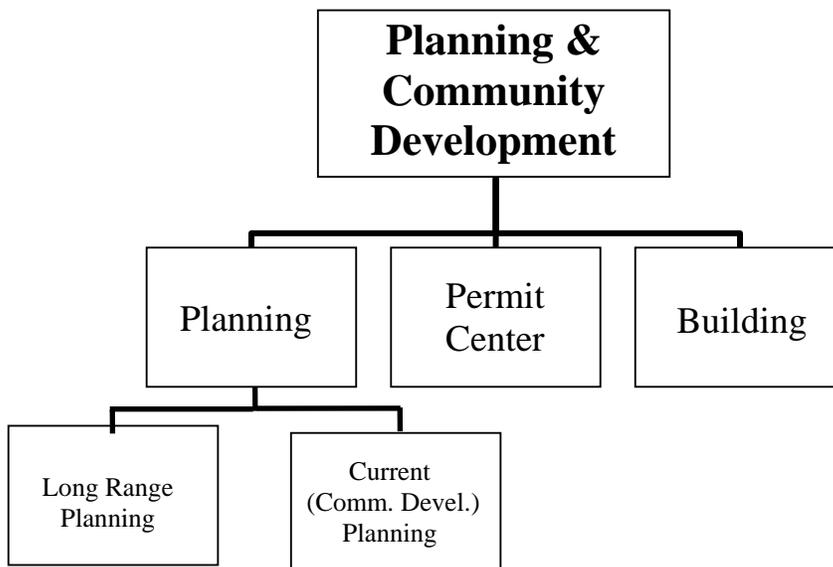

The Community Development Division is responsible for enforcing the City’s land use and zoning regulations, reviewing all development proposals, investigating citizen complaints regarding violations of local land use regulations. Staff has been shifted from development review to long-range planning tasks due to the downturn in the economy.

The Planning (long-range) division staff is responsible for drafting new or revising codes, and leading the City’s planning efforts required by the State’s Growth Management Act as well as guiding economic development, business retention, safe guard neighborhoods and oversee waterfront redevelopment.

The Department provides support to the Planning Commission and Hearing Examiner, and provides information and assistance to the public regarding development regulations and information.

During 2007-2009 planning staff provided project management services and prepared permit applications and SEPA documentation for city park and trail projects. In 2010 staff will share responsibilities for project management and inspections on Lighthouse Park Phase 2, Community Center and Commons, and habitat enhancement projects.

The Department is organized into three divisions as shown below.

## Planning

### PURPOSE

The Planning division provides comprehensive long range planning and the Community Development division provides current planning land use services to the City and its citizens while ensuring compliance with Federal, State, and local laws. It also reviews all land use applications acting as lead Project Manager to determine: impact on the environment, appropriate mitigation, and development alternatives to proposed uses or developments based on the City's Municipal Code. The CD division also provides land use code compliance.

The Department staff provides general assistance and staff support to City Council, Planning Commission, and Hearing Examiner. The Planning division support includes conducting general or specialized land use research; developing ordinances, policies and/or programs; facilitating large-scale or multi-agency development proposals.

The Department serves as the City's lead agency for the development of the Comprehensive Plan, Functional Plans and preparing the new Unified Development Code including the zoning code.

\* - 2 to complete

\*\* - new code update will require more enforcement

### 2010 GOALS & OBJECTIVES

- Evaluate/maintain/improve processing time for development applications and report to the State on 120 day compliance or non-compliance as mandated for cities over 20,000 using the new on-line permit tracking system.
- Provide public information via website.
- Initiate 2011 Comp Plan update with 2040 population and employment projections with \$30K grant.
- Initiate & complete Public Process for Shoreline Management Program – Plan and Code with \$ 45K grant.
- Continue Unified Development Code amendments.
- Resolve code & enforcement of sign code regulations on public rights-of-way.
- Continue code compliance efforts primarily on complaint basis.
- Provide oversight & coordination of waterfront projects.
- Lead Japanese Gulch fish passage projects.
- Assist with Annexation if needed.

Beginning in 2009, these benefits are budgeted directly to each department.

## Permit Center

### **PURPOSE**

The Permit Center division in the Planning and Community Development Department manages and operates the City Hall Information Desk and Permit Center; and provides clerical and support services to the Public Works, and Planning and Community Development Departments.

The Permit Center staff assists citizens and applicants with general zoning information; technical and general permit assistance; tracks all requests/applications; issues permits; serves as the City's central cashiering location; and provides initial contact over the counter and on the phone for City Hall.

Support services provided to departments includes the establishment and transfer of data to a new computerized on-line permit tracking system, and maintenance of data bases related to development status, reports; preparation and distribution of commission packets; public noticing; records management; information brochures; and assistance with department web page for meetings, notices and development project information.

<b><u>POSITION SUMMARY</u></b>		
Position Title	2009	2010
Permit Services Supervisor	1	1
Permit Services Assistant	3	3
Total	4	4

### **PERFORMANCE INDICATORS**

	<b>2008</b>	<b>2009</b>	<b>2010</b>
	<b>Actual</b>	<b>YE Est.</b>	<b>Proj.</b>

Files Opened	606	550	500

### **2010 GOALS & OBJECTIVES**

- Maintain customer services commitment.
- Expand electronic applications and project tracking.
- Track/evaluate/improve processing time for permit issuance.
- Provide public information brochures, handouts and application packets.
- Maintain department webpage for notices, meeting dates and development projects.
- Continue records conversion from paper records to computerized digital format until completed.

Beginning in 2009, these benefits are budgeted directly to each department.

## Building

### PURPOSE

The Building division is organized as part of the Planning and Community Development Department.

The division protects the public health and safety by ensuring that all structures are built in accordance with adopted building codes. It also assigns all street addresses.

The division provides information to the public on building code requirements, reviews and approves building plans, and performs a complete range of building services including plan check review and inspection services for all required codes, including building, plumbing, mechanical, energy, barrier free, air quality, and building heights. The State of Washington conducts electrical system plan checks and inspections. The Fire Department Fire Marshall reviews all development projects for International Fire code compliance with the assistance of contracted staff.

The division also investigates complaints regarding illegal or unsafe structures and when necessary, initiates code enforcement orders against violators.

Division activities are funded through fees paid by private developers and residents.

During the year, the division anticipates that it will issue permits for \$11,000,000 assessed value of new development, which will include commercial, industrial projects and less than 20 residential units.

### PERFORMANCE INDICATORS

	2008	2009	2010
	Actual	YE Est.	Proj.
Permits Issued	311	250	200
Site Inspections	2,300	1,750	1,400
Value (million \$)	\$ 39	\$ 12	\$ 11
Revenue (thousand \$)	\$ 486	\$ 299	\$ 112

### 2010 GOALS & OBJECTIVES

- Utilize on-line electronic application submittals, permit issuance and inspections.
- Maintain permit flow / turn-around times.
- To maintain pro-active stance and oversight during the development of critical / difficult sites.
- To assist in the evaluation of building fees and to make adjustments based on actual/estimated cost of service.

## PUBLIC WORKS DEPARTMENT

The Public Works Department is responsible for the planning, design, construction and maintenance of City-owned infrastructure facilities and buildings as well as approval of all engineering aspects of development – public and private. This work takes place on or involves:

- 67 miles of streets
- Two traffic signals
- 35 miles of storm drains
- 499 acres of parklands and landscaped areas, including tidelands
- 75 vehicles and pieces of equipment – excluding police and fire (Equipment Rental)
- 16 municipal buildings – including 2 Fire Stations, a Police Station, the Public Works Shop, old public works shop, City Hall, the Light House buildings (4), Lighthouse Park (4), 92<sup>nd</sup> Street Park (1) building and the Recreation and Cultural Services Center.
- 1,486 Street lights (City owned: 310; PUD owned: 1,176) The City monitors the operation of all street lights, regardless of ownership (PUD or City).

The Department is organized into six operating divisions as shown below:

### DEPARTMENT EXPENDITURE SUMMARY

## Administration and Engineering

### PURPOSE

The Administration and Engineering Division of Public Works:

- Manages public works projects that maintain the City's capital assets or build new ones.
- Performs development review relative to City infrastructure and engineering standards.
- Establishes standards for development of infrastructure and applies those standards and policies to regulate the use of the City's right-of-ways.
- Oversees the operations and maintenance (O&M) divisions of public works (storm water, streets, parks, facilities, equipment maintenance).
- Provides support to the Public Works O&M divisions, Community Development Department, the Police and Fire Departments and oversees the Public Works role as a first responder in the event of an emergency.
- Manage the City's right-of-way permit program.
- Manage the City's street light program through agreements for service with Snohomish County PUD and Snohomish County Public Works (for lights wholly owned by the City).
- Manages the City's traffic signals through a contract with the Snohomish County Public Works.
- Is responsible for the City's transportation plan and assists with the development of the City's Capital Improvement Program.

### POSITION SUMMARY

Position Title	2009	2010
Public Works Director	1	1
Assistant City Engineer	1	1
Engineering Technician	2	2
<b>Total</b>	<b>4</b>	<b>4</b>

### PERFORMANCE INDICATORS

	<b>2008</b>	<b>2009</b>	<b>2010</b>
	<b>Actual</b>	<b>Est.</b>	<b>Est.</b>
Plat Reviews	6	5	0
SEPA Reviews	30	15	10

Capital Projects Constructed	4	7	5
Lot Line Adjustments	3	3	3
Sign Permits	27	22	10
Traffic Studies (speed/count)	0	6	6
Engineering Studies/Design	3	2	2

### 2010 GOALS & OBJECTIVES

- Finish code updates/reviews: Storm water, grading and geological sensitive area regulations (carry over).
- Implement 2009 carry-over capital projects and initiate the 2010 ones.
- Adopt sidewalk management code (carry over project).
- Continue updating the GIS system to include all City assets (streets, storm water, parks, and buildings).
- Continue implementation of the NPDES Phase II permit requirements.
- Continue with implementation the pavement management system program.
- Meet development review timeline goals.

\*Dental and Vision benefits were previously budgeted to the Self Insurance Health Benefit Fund. Beginning in 2009, these benefits are budgeted directly to each department.

## Parks and Open Space

### PURPOSE

The Parks and Open Space Division of Public Works maintains all of the City-owned parklands and landscaped areas. Maintenance and improvement activities take place on 499 acres of parks and open space that includes five municipal facility building sites (police station, two fire stations, City Hall and the public works shop).

Maintenance activities include: mowing, fertilizing, pruning, weeding, planting of new plants, and spraying of herbicides and insecticides. Daily cleaning of park and landscaped areas (at Lighthouse Park and 92<sup>nd</sup> St. Park) and maintaining of park structures including benches and tables.

Improvement work is generally in the form of minor additions to a park, replanting, or clearing of an area. The Division also conducts the hanging flower basket program.

### POSITION SUMMARY

### 2010 GOALS & OBJECTIVES

- Continue working on Level of Service standards for all parks and landscape areas with an emphasis on Lighthouse Park and 92<sup>nd</sup> St. Park.
- Carry over: Continue to work on a plan that combines crew and contract labor for achieving the LOS established for each park and landscape area.
- Continue with the hanging basket program.

\*Dental and Vision benefits were previously budgeted to the Self Insurance Health Benefit Fund.

Beginning in 2009, these benefits are budgeted directly to each department.

*For 2010, the Parks and Open Space budget is allocated entirely to the General Fund. In prior years, a portion of the budget was budgeted to the Parks and Open Space Fund, which is no longer in use.*

## Streets

### PURPOSE

The Streets Maintenance Division maintains the City's street system, including the pavement surfaces (except for SR 525 and 526), sidewalks, curbs, gutters, crosswalk flashers, signs, vegetation in the right-of-ways and illegally dumped waste in the City.

Maintenance and operations activities include: filling potholes; repainting of all pavement markings (by contract and City crews); repair, replacement, and installation of traffic control and directional/informational signs; right-of-way vegetation control; and snow and ice removal.

Of the 13 signals in the City 11 are owned, operated and maintained by the Washington State Department of Transportation as is the signage on SR 525/526.

\*Work orders for repair processed.

### 2010 GOALS & OBJECTIVES

- Continue street sign replacement program
- Prepare 3-5 miles of streets for chip seals.
- Manage contracts/agreements for street striping, vegetation control.
- Mow ROW vegetation a minimum of two times between late March and end of October.

## Surface Water Management

### PURPOSE

The Surface Water Management Division of Public Works provides surface/storm water control for the community through the maintenance of the City’s drainage system (pipes, ditches, culverts, catch basins, detention facilities). Stream corridors are observed for problems and where appropriate, and with the necessary State approvals, may do limited maintenance in some creek corridors to prevent damage from flooding.

The Division develops solutions to small scale localized problems and constructs those improvements.

Street sweeping is paid for from this fund since the primary purpose of street cleaning is to reduce the amount of contamination (street contaminated sand, dirt, organic matter, and waste such as cigarette butts), getting into the City’s streams. It also reduces the cost of keeping the stormwater catch basins cleaned since less material gets to them.

The Division and other related overhead costs are primarily funded by user charges. Billing services are provided through a contract with the Mukilteo Water and Sewer District. System customers are billed every two months.

### POSITION SUMMARY

Position Title	2009	2010
Superintendent	0.2	0.2
Lead Serviceworker	1.5	1.5
Park/Utility Service Work	3	3
<b>Total</b>	<b>4.7</b>	<b>4.7</b>

## Equipment Replacement

### DESCRIPTION

The Equipment Replacement Division of Public Works is responsible for the maintenance of public works City Hall vehicles and equipment. The police department uses a private maintenance shop to service its vehicles and the fire department vehicle maintenance is done by the Paine Field Fire Department which doubles as a fire vehicle maintenance shop.

Since public works has no mechanic vehicles are maintained through warranties, service from a private garage or by public works maintenance workers serving as mechanics. Efforts have been made to contract for service with local agencies for mechanic services. At this point there is good potential for the City to sign an agreement with the Mukilteo School District for mechanic services.

Replacement of all vehicles goes through this public works division.

Monies expended in this Division are derived from equipment maintenance charges, funded depreciation replacement charges, transfers or set-asides that are made over the useful life of the related vehicle/heavy equipment.

### POSITION SUMMARY

Position Title	2009	2010
Superintendent	0.2	0.2
Department Assistant	0.25	0.25
<b>Total</b>	<b>0.25</b>	<b>0.25</b>

Vehicles & Heavy Equipment Maintained	73	75	75
Vehicles & Heavy Equipment Replaced	9	11	5

### 2010 GOALS & OBJECTIVES

1. Maintain all equipment and vehicles such that:
  - a. Reliability is maximized
  - b. Life cycles are maximized
  - c. Costs are minimized.
2. Maintain and implement the equipment/ vehicle replacement schedule.
3. Complete contract negotiations with the Mukilteo School District for long term mechanics service of the City fleet.
4. Evaluate the need for additional equipment in 2011.
  - a. Asphalt roller
  - b. U-Cart concrete cart.

## Facilities Maintenance

### DESCRIPTION

The Facilities Maintenance Division maintains all 17 of the 18 active City buildings, including:

- City Hall.
- Two Fire Department buildings.
- The Police Department building.
- Two Public Works Department buildings (new and old shops).
- Recreation and Cultural Services Center.
- Four Lighthouse buildings.
- Four buildings and structures at Lighthouse Park.
- One building at the 92<sup>nd</sup> St. Park.
- The old Sewer District Building on 76<sup>th</sup> Street off of SR 525.
- Not maintained: B&G's Club house.

Maintenance and operation activities include:

- Management of contracts for custodial service, HVAC service and security.
- Management of contracts for small capital improvements to buildings.
- Minor building repairs (electrical, plumbing, painting, locks, etc.)
- Minor interior remodeling.
- Recommending a Capital Facility Plan for these buildings.

### POSITION SUMMARY

Position Title	2009	2010
Lead Serviceworker	0.5	0.5
<b>Total</b>	<b>0.5</b>	<b>0.5</b>

### PERFORMANCE INDICATORS

	<b>2008</b>	<b>2009</b>	<b>2010</b>
	<b>Actual</b>	<b>Est.</b>	<b>Est.</b>
Plumbing Repairs	11	5	5
Electrical Repairs	15	7	7
Painting (interior)	0	0	1
Painting (exterior)	2	0	1
Roof repairs	2	1	0
Security systems	0	3	3
Furniture Repairs	2	2	0
Interior remodels	0	0	0
Damage repair	25	20	20

### 2010 GOALS & OBJECTIVES

- Within one work day, respond to employee requests for building problems. Effect repairs in the shortest time possible, but based on priorities.
- Assess the cost and service quality effectiveness of contract custodial service versus hiring City employees to do the work.
- Implement long and short range building maintenance practices that assure the highest practical level of asset protection and longevity for the City.

Beginning in 2009, all City Hall facilities expenses are budgeted in the Facilities Maintenance Fund.

## DECISION PACKAGE

**Department:** Public Works  
**Division:** Administration and Engineering  
**Decision Package Title:** Vehicle R&M  
**Preparer:** Larry Waters  
**Account Number:** 011.38.532.200.4820  
**Ranking:** 1

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  
                         
 **New Cost:**    
**One-Time Cost:** X
                         
 **Increased Baseline:**  

Item Description: Safety equipment for Engineering Escape.

Brief Explanation Why Your Department Needs This Item: If or when we need to stop for issues on City arterials we need more than the emergency flashers on the vehicle. The Escape is the most likely to have to stop on arterials (for projects).

What Alternatives Are Available, if Any? Safety, needed.

Item Description: Steel stock (\$1500), misc. hand tools (\$800), bucket pins for backhoe (\$250), traffic cones (\$1781), type II barricades (\$988), backup camera for street sweeper (\$2250).

Brief Explanation Why Your Department Needs This Item: Basic operating supplies - some consumable, some replacement stock. The backup camera for street sweeper (\$2250) is a safety item as seeing behind the sweeper is very difficult.

What Alternatives Are Available, if Any? Do with less reliability, less operating stock and less safety.

**Division:** Surface Water Management  
**Decision Package Title:** Other Professional Services  
**Preparer:** Larry Waters  
**Account Number:** 440.38.538.380.4106  
**Ranking:** 3

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**        **New Cost:** X  
**One-Time Cost:** X      **Decreased Baseline:**  

Item Description: National Pollution Discharge Elimination System II permit compliance work.

Brief Explanation Why Your Department Needs This Item: This is work that will help us meet the requirements of the Federal National Pollution Discharge Elimination System II permit by completing our stormwater system mapping and GIS system. We also want to try some new stormwater management processes by retrofitting the residential area at the upper end of Smuggler's Gulch (near 44th) with stormwater retention systems other than pipes and ponds.

What Alternatives Are Available, if Any? None as far as the NPDES II goes. Not do the stormwater flow mitigation project.

## RECREATION AND CULTURAL SERVICES DEPARTMENT

The Recreation and Cultural Services Division provides recreational opportunities to the community through the Rosehill Community Center. The mission of the Recreation and Cultural Services Division is to provide and facilitate safe, quality leisure services, programs, and facilities while preserving and enhancing natural resources and stimulating the economic vitality of the community.

Year-round city sponsored recreation/enrichment classes and special events are offered at the Rosehill Community Center. A wide variety of activities are offered for all ages, seniors, adults, youth, and preschoolers.

The Rosehill Community Center also provides rental space to a variety of private and community organizations that provide music, theatrical and dance instruction, and senior services. The Center rents space for special events, such as weddings and receptions, dances, fundraisers and meetings.

The Department is organized as follows:

### DEPARTMENT EXPENDITURE SUMMARY

Division	2008 Actuals	2009 Budget	2010 Baseline	2010 DP's	2010 Proposed	% Change
Recreation Department	351,052	364,300	346,900	0	346,900	-4.78%
<b>TOTAL</b>	<b>351,052</b>	<b>364,300</b>	<b>346,900</b>	<b>0</b>	<b>346,900</b>	<b>-4.78%</b>

## Recreation & Cultural Services Division

### PURPOSE

The Recreation and Cultural Services Department assumes a major role in developing a sense of community and enhancing citizens' quality of life by providing recreational and social programs and special events.

In 2010 the Rosehill Community Center will provide opportunities for drop-in and programmed recreational activities as well as amenities for meeting rentals, special events and provide leased space.

Tenants include: the Mukilteo Senior Association; Gene Natri, a non-profit school of music, a private fitness studio, and a private dance studio.

### POSITION SUMMARY

Position Title	2009	2010
Recreation Manager	1	1
Department Assistant	1	1
Facility Attendant	1	1
<b>Total</b>	<b>3</b>	<b>3</b>

### PERFORMANCE INDICATORS

	<u>2009</u>	<u>2010</u>
	<u>Actual</u>	<u>Est.</u>
<b>Total Leased Tenants</b>	<b>6</b>	<b>4</b>
Allegro Dance, Gene Natri School of Music, Seniors, Quality Fitness Studio		
<b>City Recreation Programs</b>	<b>194</b>	<b>170</b>
<b>City Co-Sponsored Events</b>	<b>10</b>	<b>10</b>
Farmers' Market, Open Mic Night, Art Festival, Bluegrass Festival, Lighthouse Festival, Chamber Tree Lighting, Beach Watchers Beach Expo, Holiday Art Mart, Boo-Bash, Lighthouse Play.		

### 2010 GOALS & OBJECTIVES

- Continue to coordinate the Special Event permit process for the City, networking with City Departments and outside organizations for safe and successful events.
- Maintain leased occupancy space at the Rosehill Community Center.
- Continue to offer and add city recreation programming activities and events in a variety of mediums to a variety of age ranges and abilities.
- Continue to coordinate the picnic shelter and wedding circle rentals.
- Work with ARC Architects, Allied Construction and City Departments to assist with the oversight of building the new Rosehill Community Center to include construction meetings, purchase of furniture, fixtures and equipment.
- Develop manuals for the new Rosehill Community Center to include a training manual, operational manual, front desk manual, and revise rental pricing, procedures and policies.
- Continue to act as city liaison and work with community groups (Arts Guild, Farmers Market, Chamber and Lighthouse Festival) to integrate event programming into the city recreation programming with co-sponsorships.
- Continue to oversee the Community Grant and Lodging Tax Grant processes for the City.
- Prepare new job descriptions and hiring procedures for the new community center positions to be operational by February 2011.

## CAPITAL IMPROVEMENTS

The Capital Improvements portion of the budget includes costs to construct repairs or improvements to the City’s long-term capital infrastructure systems or facilities. Capital Improvements include the construction of new, or the significant repair of: streets, parks, municipal buildings, or other facilities that are not classified as on-going operating expenditures. Capital Improvements do not include minor repairs, physical replacement or improvements. Capital Improvement expenditures are typically one-time in nature, with replacement not required for 25 - 75 years, depending upon the type of improvements.

On the following page is a table summarizing the 2010 Capital Improvement budget. On subsequent pages are descriptions of the proposed capital improvement projects for 2010. Estimated Project Costs include engineering design and construction costs. Not included in these figures are costs of in-house labor involved with coordinating, designing, managing, and/or inspecting the construction of the improvements.

**Division:** Capital  
**Decision Package Title:** Interpretive Signs  
**Preparer:** Patricia Love  
**Account Number:** 011.90.594.207.6336  
**Ranking:** Carry Forward

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

Item Description: Additional interpretative signs that are called out in the Intrepretative Signage Plan drafted in 2008 would be designed, constructed and installed. Each sign costs approximately \$ 2,000 with design costs.

Brief Explanation Why Your Department Needs This Item: During 2009 two of the four interpretive signs were completed: Japanese Gulch and Founders. The costs associated with the remaining three signs will be rolled over to the 2010 budget.

What Alternatives Are Available, if Any? Delay or not do the project at this time.

**One-Time Cost:**  **Increased Baseline:**

Item Description: Construction of Lighthouse Park Phase 2  
 Brief Explanation Why Your Department Needs This Item: This is a continuation of the Lighthouse Park Phase 2 project. Construction of the Park is scheduled to start in November 2009 and continue through late June 2010. The 2009 budget contained \$1.41 million dollars for the project and by the end of the year we will have spent \$235,000. This request is to roll over \$1,175,000 to the 2010 budget to complete Phase 2 of the Park.  
 What Alternatives Are Available, if Any? Delay or not do the project at this time.

**Division:** Capital  
**Decision Package Title:** Japanese Gulch Fish Passage Project; Phase 1&2  
**Preparer:** Patricia Love  
**Account Number:** 440.90.594.805.6545  
**Ranking:** Carry Forward

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

Item Description: Final design and construction of the Japanese Gulch Fish Passage project funded through an Interlocal Agreement with Paine Field Airport.

Brief Explanation Why Your Department Needs This Item: In the spring of 2009, the City and Paine Field entered into an Interlocal Agreement to improve fish passage in Japanese Gulch. The estimated cost for this project is \$165,000.00; \$150,000.00 of which is in a dedicated fund by the ILA and \$15,000 from the stormwater fund. Due to permitting delays with BNSF, this project is being extended into 2010 and so the funds need to be rolled over to the 2010 budget.

What Alternatives Are Available, if Any? None, this is a mandatory project funded through the ILA.

 Brief Explanation Why Your Department Needs This Item: This project expands on the Japanese Gulch Fish Passage improvement project that was part of the Interlocal Agreement between the City of Mukilteo and Paine Field Airport for stream mitigation on the Airport. The City is actively pursuing a \$40,000.00 Grant through Snohomish County Keepers Alliance to fund a major part of this final segment. The remaining money would be allocated from the stormwater fund.  
 What Alternatives Are Available, if Any? Delay or not do the project

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

Item Description: Japanese Gulch Fish Passage Feasibility Study.  
 Brief Explanation Why Your Department Needs This Item: Japanese Gulch Stream has been culverted under 5th Street and then channelled into concrete flumes which prohibit the passage of fish. This feasibility project will study the options to open up this portion of the creek to eliminate fish barriers that currently restrict fish passage south of 5th Street. This project builds upon the 2009 project which eliminated three fish barriers in Japanese Gulch.  
 What Alternatives Are Available, if Any? Delay till further funding becomes available.

**One-Time Cost:**  **Increased Baseline:**

**Item Description:** Installation of the left-hand-turn-lanes and sidewalk at 88th Street and SR 525  
**Brief Explanation Why Your Department Needs This Item:** This project will get left hand turn lanes installed at this intersection along with a missing link of sidewalk; of note is that if the bids come in for more than what the grant (minus the design costs) will cover, then the only source of money for this is from the \$600k for pavement preservation.  
**What Alternatives Are Available, if Any?** Return the grant and not do the project.

**DECISION PACKAGE**

**Department:** Public Works  
**Division:** Capital - Facility Maintenance  
**Decision Package Title:** Pole Building at Shop  
**Preparer:** Larry Waters  
**Account Number:** 141.90.594.500.6210  
**Ranking:** Carryforward

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**  **New Cost:**   
**One-Time Cost:**  **Increased Baseline:**

Item Description: Construct a pole building with five bays  
 Brief Explanation Why Your Department Needs This Item: Public Works needs equipment housing (sweeper, dump trucks, etc.). Presently most all of the equipment is parked in the open shortening the life of the equipment due to deterioration by the weather but especially due to the effects of UV. As an initial start in getting the Public Works equipment under cover, a five bay building is proposed. Three of the bays would be enclosed, lightly insulated and have power and lights. The other two will be open sided. One of the bays will be used to store the City float and the other two for the new sweeper and our 10 yard dump truck.  
 What Alternatives Are Available, if Any? Find some other place to store the City float and continue storing expensive equipment in the open.

Item Description: Approve the carry forward of the approved budget for repair replacement of the culvert at the bottom of Smuggler's Gulch, 61st Street.

Brief Explanation Why Your Department Needs This Item: This project must be delayed another year due to issues to be sorted out with the State Department of Fisheries. About \$30,000 has been spent on design thus far. Decisions on a budget adjustment, if necessary, will be made when Staff brings the bids to the Council for consideration of award (in 2010).

What Alternatives Are Available, if Any? Not build it and continue dealing with blockages and road closures and a potential road failure (due to water flowing over the road when the culvert blocks).

## DECISION PACKAGE

**Department:** Public Works  
**Division:** Capital - Streets  
**Decision Package Title:** Street Capital - Pavement Management  
**Preparer:** Larry Waters  
**Account Number:** 332.90.594.345.6520  
**Ranking:** 1

Please put an " X " in either the box next to Ongoing Cost or One-Time Cost

**Ongoing Cost:**       **New Cost:** X  
**One-Time Cost:** X      **Increased Baseline:**

Item Description: Street seal coating, repaving and rebuilding.

Brief Explanation Why Your Department Needs This Item: Staff recommends that the \$600K budgeted for street preservation and repair be used as follows: Approximatley \$250K will be spent on seal coating. The remaining \$350K should be spent on other pavement or street projects. Presently there four top projects: seal coating; the left-hand-turn-lanes at 88th/SR 525; the new right hand turn lane at the ferry holding area and SR 525; and 5th Street. Of course if we continue to have problems (it seems to be settling down) with the seal coat in the Chennault Beach area, some money will need to be spent on that as well). Staff is also working on evaluating additional sections of Harbour Pointe Blvd. that appear to be deteriorating quickly. If it is discovered that the failing sections have the same problem as the section repaired this year (a poor or no subbase) then choices will need to be made on what project is the top priority. *Keep in mind that these funds also pay for any engineering needed for the work or project.*
