Helpful Hints for a Successful Event

Expecting children to attend your event? HINT: Rent an activity room just for kids

You may want to consider renting one of our meeting rooms for a movie or fun and games to keep the kids occupied. You will need to have an adult in the room supervising the children during the activities. Most kids start to get restless during the evening hours and really need a place where they can relax and get away to enjoy more age appropriate activities. Children are not allowed to run around the building unsupervised.

All children under 12 years of age must be accompanied by an adult.

Set-up/Clean-up? HINT: Plan ahead and hire out of possible.

Keep in mind that the time you need to set-up your room and take-down your room must be scheduled within the rental times as shown within your contract. Be sure to plan ahead and allow enough time in your contract for your set-up and your clean-up. In summary, your rental time needs to be adequate to allow enough time for all of your responsibilities and activities from the time your contract begins (when you enter the room) until the time your contract ends (the time you leave the facility). Additional unexpected time of use will be deducted from your deposit which may include loss of your entire deposit. Remember overage time is charge at time and a half.

Set-up time will vary depending on how elaborate your décor, type of dinner service, number of guest to be seated, etc. Give your set-up crew and/or caterer plenty of time.

Clean-up will normally take a minimum of 1.5 hours for the cleaning of the Pt. Elliott Room alone. Your caterer will normally be contracted for the clean-up of the kitchen and bussing tables only. Some catering companies will extend their contract to include the banquet room clean-up at an additional fee. Be sure to prearrange for this and supply them or other parties who will be doing the clean-up with a copy of our Point Elliott Room Clean-up List. Remember that family and friends have had a long day and don't always appreciate the grueling duty of cleaning up. It is best to hire this out if possible.

How to end the evening? HINT: Let the music and lights give the message.

Our DJ (or other entertainment group) can be the best tool to ending your event smoothly. They should announce the last call and say goodnight 1.5 hours before your rental time ends. With or without the announcement, a member of the staff will proceed to turn up the lights and the music will be turned off 1.5 hours prior to the end of the rental time. This will give you the needed time to clean and be out of the building on time.

Underage guest? Underage drinking is strictly prohibited.

If we suspect a problem, the Rosehill Community Center staff will be called to assess the situation. This could result in the immediate end to your event. No refunds are available if this occurs during your rental, forfeiture of damage deposit will result, and cleaning expenses will be billed to applicant whos signature appears on the rental contract.

Hard Alcohol? Hard alcohol is NOT ALLOWED.

If hard alcohol is found during the rental you will forfeit your security/damage deposit and the police may be called if it continues. No drinking is allowed in the parking lot.
