

11930 Cyrus Way, Mukilteo Washington 98275

City Council Transportation Committee
Committee Meeting No. 2016-1

Keeping Mukilteo Moving

January 13, 2016

6:00 – 8:00 p.m.

Meeting Notes

Attendance:

City Councilmembers: Bob Champion, Randy Lord, Christine Cook

Public Works Director: Rob McGaughey

Assistant City Engineer: Andrea Swisstack

Meeting Objective:

1. Review the Transportation Committee 2015 Accomplishments and Transportation Committee Accession Plan
 - a. The draft 2015 Annual/End of Year Committee Update was reviewed and approved by the Transportation Committee and finalized.
2. The following Grant opportunities:
 - Safe Routes to School, opened January 18th, and closes May 6th
 - Pedestrian and Bike Paths, opened January 18th and closes May 6th
 - Surface Transportation (Maintenance), opens March 14th and closes April 11th
 - CMAQ, opens March 14th and closes April 14th
 - a. Candidate projects for these grants are the 526 Shared Use Path and Pavement Preservation for 88th Street
3. Harbour Reach Drive extension concepts/cost estimate was reviewed. Due to budgetary constraints the intersection at Cyrus Way and HPB will stay a signal. The intersection at HRD and HPB will be redeveloped as a single lane roundabout. Eight different cross-sections were reviewed by the committee. The Committee favored the two lanes with standard bike lanes/landscape

“Develop policy recommendations for a sustainable transportation system”

strip/sidewalks. The Committee did recommend that the Cascade Cycle group be consulted about what type of cycling facility was preferred.

This was the last meeting of the Transportation Committee. The meeting was adjourned at 8:00 PM.

Next Meeting: Infrastructure Committee, February 10th at 6:00 pm in the Executive Conference Room at City Hall.
