Meeting Summary

Meeting Objective: Advancing the cause of Public Safety in the Community.

1. Fire District 1 representatives discussed the services provided by battalion chief officers, medical services officers, and ladder trucks, as well as their capital facilities project and shared management discussions with Lynnwood. The district has requested assistance from city staff to provide data on projected growth and development to the consulting group looking at future station location needs. There may be an opportunity to leverage that work to validate future locations for Mukilteo fire stations.
2. Chief Alexander provided an update on the fire department.
3. Chief Macklin provided an update on the police department.

Next Meeting: May 5th, 2016 at 5:30 p.m. at City Hall.
