Re: Interlocal Agreement (ILA) with Revisions

Greetings,

Enclosed you will find the revised Snohomish Regional Drug Task Force (S.R.D.T.F.) Interlocal Agreement. I am proud to present this document which has undergone several revisions in the past few months. These revisions remove outdated and irrelevant language, while promoting transparency and answers to previously unexplained calculations. One of the most noticeable changes is the reduction in contributions requested. The contributions are now based solely on the salary of the commander. With the disappearance of the Byrne/Jag Grant, the contributions have become critical in maintaining a functioning task force.

Despite pandemic restrictions, this task force has continued to combat the upper level drug trade while keeping employees and public safe. A few statistics we are proud to report are:

- Seizure of 9,761.7g of heroin (drug seizures are measured in grams)
- Seizure of 4,144 counterfeit oxycodone pills believed to be Fentanyl
- Seizure of 18,069g of methamphetamine
- Seizure of 49 firearms
- 6 DMIs (Drug Market Interdictions)
- Completed over 100 arrests

The cooperative language of this new agreement reflects the cooperation of all participating agencies that make up the SRDTF as regional asset.

Thank you for your prompt attention in returning the signature page to us.

Sincerely,

MARK RICHARDSON
Bureau Chief, Special Operations
