This letter is an official notice that the land use application submitted on October 5, 2021, for a 7-lot subdivision with frontage improvements located at 9110 53rd Avenue W, Mukilteo, Washington, is considered:

☒ **COMPLETE as of November 2, 2021**

Even though your application is considered complete because you met the 28-day review period, you need to submit the following items:

- o PUD/Water/Sewer Availability Letter
- o Engineering Permit – Fill out, sign, and submit an engineering permit for the grading, right-of-way improvements, and stormwater improvements.
- o Soil Management Plan.
- o Title Certificate less than 30 days old
- o Submit hard copies of all the submittal items. To date the city has received hard copies of the plans.

Complete Applications

Processing and review of a permit application may begin when it is deemed complete. A COMPLETE APPLICATION IS NOT AN APPROVED APPLICATION. A permit application is complete when it meets the submission requirements outlined in the attached to this notice. The City's determination of completeness does not preclude the City from requesting revisions, additional information or studies if new information is required, corrections are needed, or where there are substantial changes in the proposed action. If you have questions, please do not hesitate to contact me at 425.263.8043 or lritter@mukilteowa.gov.

Sincerely,
Linda Ritter
