NOTICE OF APPLICATION

Wireless Communication Facility Relocation Project

Description of Proposal: This proposal relocates existing base station equipment from a backyard shed 10309 50th PL W to a backyard shed 4822 103RD PL SW. This is for an established wireless communication facility to a neighboring property due to lease expiration. The existing pole-mounted facility in the right-of-way will remain unchanged. The relocation of equipment requires a Conditional Use Permit. The final decision will be made by a Hearing Examiner (date TBD).

Want to stay in the loop on this project? This is the only notice that will be widely distributed for this project. If you want to receive future notices (such as environmental determinations, notice of public hearing, project decision), you need to become a party of record.

How to become a party of record. To become a party of record, submit written comments. Signed petitions and mechanically produced form letters don't count, but your comment can be as simple as, "I'd like to be a party of record."

How to submit comments. Agencies, tribes, and the public are encouraged to comment. The comment period starts on the date this notice was issued and continues through the date noted. The city makes every attempt to review and consider comments received before the final decision, regardless of date submitted. Comments may be mailed or delivered to City Hall or emailed to planningdept@mukilteowa.gov.

Appeals. The final decision on this project will be appealable. However, only parties of record may initiate an appeal of a land use development permit application.

Where to find more information. Project documents, including any environmental checklists or supplemental reports, are available on the city's website: mukilteowa.gov/land-use-action-notices.
