Gene Jaress' art will be exhibited from

**Saturday, October 6<sup>th</sup> thru Thursday, December 27<sup>th</sup> 2018**

Gene Jaress has been a working artist for over 50 years, winning numerous awards in

multiple mediums. After combat in Vietnam, he studied at Cornish Art School. Painting, sculpture, printmaking and jewelry studies were followed by a career as a master jeweler. As a painter, he uses an indirect style, using many thin transparent layers of oil paint to create a luminous atmospheric expression. He believes in thoroughly mastering the medium he works in to produce an excellent piece of art from the support to the frame, so the artwork may be appreciated for generations.
