DEFINITION OF A SPECIAL EVENT/LARGE

Any temporary/ongoing activity that occurs on public or private property that affects the ordinary use of parks, public streets, right-of-ways, sidewalks, traffic, etc. and/or generates considerable public participation.

A **large special event** is defined as meeting any of the following criteria:

- Events expecting more than 100 people gathering in a park or other public place
- Events expecting to have a substantial impact on park(s) or other public place(s)
- Events that will be charging an entry fee, using sponsors, or will rent booths
- Events held on public streets, sidewalks, walkways, or other areas that interfere with regular vehicular or pedestrian traffic or require the use of City Services
- Filming or photo shoots that require closed sets or have a crew of more than 10 people

The application/permit process ensures that the activity meets legal requirements, allows the City to adequately schedule needed public services, alerts the affected neighborhoods and businesses, and recoups costs incurred during the event.

GENERAL PROCEDURES STATEMENT

Special events that occur in Mukilteo impact the citizens of specific neighborhoods as well as adjacent neighborhoods and businesses. Many Mukilteo residents participate in these events, but many do not. These events are allowed because of the willingness of neighborhoods and businesses to cooperate; however, the City of Mukilteo has set up several guidelines that restrict the use of certain venues to protect the livability of all residents.

The City of Mukilteo has established procedures that allow for advance planning and management of personnel, financial resources and public property and roadways under its control. These procedures provide a system, common information, and basic ground rules, which allow the City and special event producers to achieve their mutual goals.
