Harbour Reach Dr/ Chennault Beach Rd

Annual Pavement Preservation Program

Preserve Roadway System / Reduce Costly Repairs

Maintain City Infrastructure

Thank you in advance for your patience and cooperation as we make improvements to your neighborhood.

Project Contact: Connie Bowers (425)263-8080
cbowers@mukilteowa.gov Permit: ROW-2021-018

What: As part of our annual Pavement Preservation Program, the City of Mukilteo is pleased to announce that the contractor, Granite Construction Company, will be upgrading the ADA ramps and signs, to meet current standards. Work will begin along Harbour Reach Dr/Chennault Beach Rd (between Harbour Pointe Blvd NW and SW). In conjunction to this exciting project, a resurfacing project will also take place.

Harbour Reach Dr is the main access road for much of the City's employment center, both industrial and commercial. With a significant volume of truck traffic, as well as being a transit route, pavement is deteriorating and is in need of rehabilitation. The pavement rehabilitation will consist of a grind (removal of pavement) and inlay (laying down of new pavement in the ground out location) to alleviate further deterioration and preserve the life of the street.

When the inlay is completed, it provides a 'clean slate' for striping, and the opportunity to change from a three-lane road to a street with bicycle lanes. This would further support the BTW plan designation of this street as a safe bicycle alternative to the SR 525 corridor and connect to the existing bike lanes along Harbour Pointe Blvd and the new Harbour Reach Drive Corridor to the south.

When: Construction is expected to begin in October 2021, with a slight pause for winter weather and then start again mid-spring of 2022. Specific schedule information will be posted and updated periodically on the City's website <https://mukilteowa.gov/HarbourReachDrImp/>. It is possible that the construction schedule may change due to weather conditions. Typical hours of operation are Monday-Friday 7:00 am to 6:00 pm.

Title VI / ADA Interpreter and translation services for non/limited English speakers, and accommodations for persons with disabilities, are available upon request. Please make arrangements in advance by emailing the project contact at cbowers@mukilteo.gov. Hearing/speech impaired call 425-263-8084.
