Scan for project information

Want to stay in the loop on this project? This is the only notice that will be widely distributed for this project. If you want to receive future notices (such as environmental determinations, notice of public hearing, project decision), you need to become a party of record.

How to become a party of record. To become a party of record, submit written comments. Signed petitions and mechanically produced form letters don't count, but your comment can be as simple as, "I'd like to be a party of record."

How to submit comments. Agencies, tribes, and the public are encouraged to comment. Submit comments by the date above. Comments may be mailed or delivered to City Hall or emailed to planningdept@mukilteowa.gov.

Appeals. The final decision on this project will be appealable. However, only parties of record may initiate an appeal of a land use development permit application.

Where to find more information. Project documents, including any environmental checklists or supplemental reports, are available on the city's website: mukilteowa.gov/land-use-action-notices.
