## Land Acknowledgement Statement

“We acknowledge the original inhabitants of this area, the Snohomish people, and their successors, the Tulalip Tribes.

Since time immemorial, they have hunted, fished, gathered, and taken care of these lands. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water.

We understand the cultural and historic significance that the City of Mukilteo holds in respect to the signing of the Point Elliott Treaty of 1855. As a city we commit to being honest about the legacy of colonization on our indigenous predecessors and commit to bringing about a future that includes their people, stories, and voices to form a just and fair society.”
