3. Administration of Agreement. The provisions of this Agreement shall be administered jointly by the fire chiefs of each jurisdiction hereto. The fire chiefs shall meet on a regular basis, but not less than once per quarter to review the effectiveness of this Agreement and any issues that arise hereunder.

7. **Staffing Exceptions.** Exceptions to the Minimum Staffing Level may occur in unusual circumstances such as where there is a significant emergency event(s) in the District, the City, or other areas which are under a mutual aid agreement.

8. **Concurrent Emergencies.** It is understood and agreed by the parties that the dispatch of units during concurrent emergencies is determined by protocols of the dispatch centers and automatic and/or mutual aid agreements. Nothing herein shall require the District to respond first within the City as opposed to other areas protected by the District. Rather, the parties recognize that responses to concurrent emergencies shall be determined by the District based upon the District's operational judgment and without regard to where the concurrent emergencies occur.

9. **Compensation.** The City shall pay the District an annual fee ("Compensation") for each year of this Agreement as compensation for the services provided herein.

9.1 **Initial Term.** During the Initial Term, no Compensation shall be due from the City. The Ladder Truck shall be transferred to the District in the same condition it was in during the inspection and appraisal. The District shall be responsible for costs of title and licensing transfer.

9.2 **Renewal Terms.** At least one hundred eighty (180) days prior to the end of the Initial Term or any subsequent Renewal Term, as applicable, the parties shall begin

If the parties have not mutually executed such an Addendum at least thirty (30) days before the commencement date of the upcoming Renewal Term, then notwithstanding anything to the contrary herein, this Agreement shall automatically terminate on the last day of the then current term.

9.2.1 In order to facilitate the parties' negotiations concerning the Compensation to be paid during each Renewal Term, the fire chiefs for the parties shall endeavor to develop a mutually agreeable financial model which specifies those costs that are properly chargeable to the City. If the parties reach agreement regarding the financial model, the parties may amend this agreement to incorporate it herein.

10. **Additional Benefits**. This Agreement is not intended to restrict the Parties from achieving or pursuing any additional benefits that may be realized in conjunction with this Agreement, provided that the process is mutually approved by the fire chiefs of the Parties hereto.

11. **Further Regionalization Efforts/Regionalization Committee**. During the term of this Agreement, the Parties agree to meet and engage in regular discussions and consideration of mutually beneficial sharing of operational resources and provision of regional fire and EMS service. This is a material element of consideration for each Party entering into this Agreement. Therefore, the Parties hereby authorize the creation of a five (5) person Regionalization Committee. The Regionalization Committee shall be comprised of elected officials from each Jurisdiction as follows: three (3) elected officials from Mukilteo and two (2) commissioners from the District. The Regionalization Committee shall also be comprised of one designated staff and one member from each IAFF local. 11.1 The Regionalization Committee shall have no authority to bind any of Jurisdictions to a commitment requiring a financial expenditure. Rather, the purpose of the Regionalization Committee is to explore ideas and opportunities for further regionalization efforts for the benefit of the Jurisdictions' taxpayers.

11.2 The Regionalization Committee shall include regular participation and presentations by appropriate staff from each Jurisdiction (e.g., fire chiefs, administration officials and labor representatives) concerning the provision of fire and EMS services within their Jurisdictions and opportunities and recommendations for further regionalization in any form allowed by law, including, but not limited to, the following:

- Interlocal Agreements for Services
- Joint Operating Agreements
- Mergers

12. **Cross Release**. Except as specifically provided in this Agreement, the Parties do hereby forever release each other from any claims, demands, damages or causes of action related to damage to equipment or property owned by the Parties. It is the intent of the Parties to cover this risk with insurance.

13. **Interpretation**. Each Party has fully participated in drafting this Agreement. Therefore, any interpretation of this Agreement shall be based upon its fair meaning and the intent expressed herein without regard to who drafted the particular provision.

14. **Dispute Resolution**. In the event of any dispute arising between the Parties to this Agreement, such dispute shall be decided in Snohomish County Superior Court; provided, however, that the Parties shall endeavor to first resolve disputes by non-binding mediation.

18. **Severability**. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

19. **Counterparts**. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement.

20. **Additional Acts**. Except as otherwise provided herein, in addition to the acts and deeds recited herein and contemplated to be performed, executed and/or delivered by any Party hereto, the Parties hereto agree to perform, execute and/or deliver, or cause to be performed, executed and/or delivered, any and all such further acts, deeds and assurances, which may reasonably be required to effect the purposes of this Agreement.

23. **Entire Agreement.** The entire agreement between the Parties concerning the matters expressed herein is contained in this Agreement; and this Agreement supersedes all of their previous understandings and agreements, written and oral, with respect to this transaction. This Agreement may be amended only by written instrument executed by the Parties subsequent to the date hereof.

24. **Independent Capacity.** The employees or agents of each party who are engaged in the performance of this agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

25. **Indemnification and Liability.** The District agrees to protect, defend and indemnify the City, its officers, officials, employees and agents from any and all costs, claims, claims for delay, judgments and/or awards of damages, arising out of or in any way resulting from the negligent conduct associated with the services performed under this Agreement by the District, its employees, and agents. The District's obligations under this provision extend to any claim, demand, and/or cause of action brought by or on behalf of any of its employees or agents. The foregoing indemnity is specifically and expressly intended to constitute a waiver of the District's immunity under Washington's Industrial Insurance Act, Title 51 RCW, as respects the City only, and only to the extent necessary to provide the City with a full and complete indemnity of claims made by the District's employees. The parties acknowledge that these provisions were specifically negotiate and agreed upon by them.

26. **Termination and Return of Assets.** In the event the District materially fails to provide the services herein and the District fails to cure such failure after twenty (20) days written notice from the City, the District shall, at its option, (i) reconvey the Ladder Truck to the City or (ii) retain the Ladder Truck and pay the City the amount of Seventy-Five Thousand Dollars (\$75,000) annually for each year remaining in the Agreement, with such amount prorated for any partial year.
