Mukilteo, WA 98275

**SUBJECT: 4-way Stop Sign Request at Possession Way & Northpoint Drive**

*Sent Via: U.S. Mail*

Dear Mr. Prabhu;

Thank you for your service request regarding sight distance at the intersection of Possession Way & Northpoint Drive. You suggested that a 4-way stop is needed for safety and to alleviate accident concerns.

Mukilteo Municipal Code 17B.20.050.B identifies the criteria for sight distance for properties adjacent to a controlled intersection. The posted speed limit for Possession Way is 25 mph which requires a sight distance of 300 feet.

I visited the site on September 4, 2018 with our Assistant City Engineer to evaluate the intersection. Sight distance is adequate at the intersection as it exceeds 300 feet in both directions. The intersection does not meet additional stop sign warrants.

Thank you for your request. If you have additional questions, I may be reached at 425-263-8080 or [mmatheson@mukilteowa.gov](mailto:mmatheson@mukilteowa.gov).

Sincerely,

Mick Matheson, P.E.  
Public Works Director

Cc: Andrea Swisstack, Assistant City Engineer
