Background

AWC Center for Quality Communities promotes municipal leadership development and civic engagement. Our goal is to help residents understand the important role their cities and towns play in Washington. The Center is a 501(c)(3) organization.

We believe in helping to ensure the success of student leaders who care about their communities. The Center for Quality Communities Scholarship supports senior high school students who are actively engaged with their community and/or city government and want to pursue post-secondary education.

The scholarship fund is supported by people who are passionate about cultivating Washington's future local leaders.

Up to six \$1,500 scholarships will be awarded to high school students who plan to pursue a post-secondary degree in fall 2020. Scholarship funds will be sent directly to the institution.
