

76TH STREET SW AND SR 525 PEDESTRIAN IMPROVEMENTS PROJECT

The City's contractor will be constructing pedestrian improvements on 76th Street SW beginning September 13th and is expected to complete this work within eight weeks (weather permitting).

The contractor's allowable working hours are from 7:00 AM to 6:00 PM, Monday through Friday. During these working hours, access assistance through the work zone will be provided by the contractor.

We appreciate your patience.

The City's contractor will be constructing pedestrian improvements on 76th Street SW beginning September 13th and is expected to complete this work within eight weeks (weather permitting).

The contractor's allowable working hours are from 7:00 AM to 6:00 PM, Monday through Friday. During these working hours, access assistance through the work zone will be provided by the contractor.

We appreciate your patience.

HELP US MAKE THIS A SUCCESSFUL PROJECT:

- Remove vehicles from the roadway prior to 7:00 AM on the date(s) shown on “No Parking” signs. Vehicles left in posted areas will be towed at the owner’s expense.
- Comply with all pedestrian and vehicle traffic control during working hours.
- Please be patient, as the pending weather may extend the project schedule.

PLEASE CONTACT US WITH ANY QUESTIONS:

Randall Roberts, PE

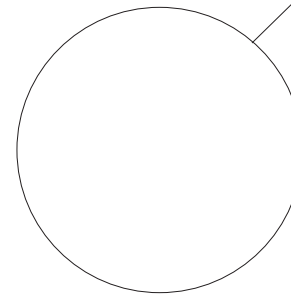

City of Mukilteo, Capital Projects Engineer

- rroberts@mukilteowa.gov
- 425.263.8084

For further information, please reference the City’s project website:
