

11930 Cyrus Way, Mukilteo Washington 98275

City Council Infrastructure Committee
 Committee Meeting No. 2016-5
Building Mukilteo's Future

May 11, 2016
 6:00 – 8:00 p.m.

Meeting Notes

Attendance:

City Councilmembers: Randy Lord (Chair), Scott Whelpley, Bob Champion
 Public Works Director: Rob McGaughey
 Assistant City Engineer: Andrea Swisstack
 John White, WSDOT
 John Chi, WSDOT
 Mike Swires, WSDOT

Meeting Objectives:

- 1.) SR 525 Pedestrian Bridge update

The WSDOT project team attended the Committee meeting. The goal of this discussion item was to develop a priority array and score the different project alternatives. The Committee used the priority array to rank six different project alternatives.

Alternative	Priority Array Score
Roadway Reconfiguration 1B	72.5
Roadway Reconfiguration 1D	57.5
Roadway Reconfiguration 1E	52.5
Ped Bridge 2C	57.5
Ped Bridge 2D	56.5
Ped Bridge 2H	62.5
Baseline Existing Condition	27.5

The Committee did not reach a consensus of which project alternative should be recommended to the whole Council.

There was not enough time to address the remaining agenda items. Discussion of these items will be deferred to the June 8th Committee meeting

Next Meeting: Infrastructure Committee, June 8th at 6:00 pm in the Executive Conference Room at City Hall.
