

11930 Cyrus Way, Mukilteo Washington 98275

City Council Infrastructure Committee  
Committee Meeting No. 2016-8  
*Building Mukilteo's Future*

September 14, 2016  
6:00 – 8:00 p.m.

## **Meeting Notes**

### **Attendance:**

City Councilmembers: Richard Emery, Randy Lord, Scott Whelpley  
Public Works Director: Robert McGaughey  
Assistant City Engineer: Andrea Swisstack  
Capital Project Engineer: Robert Roman

### **Meeting Objectives:**

#### **1.) Harbour Reach Drive Extension Project Update:**

The Committee Members reviewed the concept layout for the Harbour Reach Drive Extension project. The drawing showed the proposed alignment for the new road segment south of Harbour Point Blvd and street cross-sections for new and existing sections of Harbour Reach Drive. Intersections at Harbour Point Blvd. and Harbour Point Blvd. SW will be full size roundabouts and intersections at South Road, Possession Way, and Chennault Beach Road will be mini-roundabouts.

#### **2.) Washington State Ferry's Agreement:**

Rob informed the Committee of WSF's proposed traffic mitigation plan for the new ferry terminal. The Committee wants WSDOT to understand that Mukilteo desires to have safe traffic and efficient traffic operations on SR 525 and have bike and pedestrian facilities on SR 525 that complement the quality of life of Mukilteo residents. Staff from WSDOT will present their traffic mitigation proposal to the Infrastructure Committee on October 13 starting at 4:00 pm.

#### **3.) Updated Pavement Preservation Plan (draft):**

The City Pavement Preservation Plan was updated with the most recent Pavement Index Rating (PCI) measured in August. The Pavement Preservation Plan reflects the new PCI. The overall system PCI for the City remained unchanged at 78.

**Next Meeting: October 14, 4:00 pm to 6:00 pm at Mukilteo City Hall  
Executive Conference Room**
