**Complete Applications.** Processing and review of a permit application may begin when it is deemed complete. A COMPLETE APPLICATION IS NOT AN APPROVED APPLICATION. A permit application is complete when it meets the submission requirements outlined in the Table on the back side of this notice. If the required information is not submitted within the 90 calendar day period, the application will be considered lapsed for failure to submit the necessary information in a timely manner and the file will be closed. The Applicant may request, in writing, an extension of up to an additional 90 calendar days. Extensions are granted at the sole discretion of the Planning Director.
