

Memorial Day Remarks

Mayor Jennifer Gregerson

May 31, 2021, 11am

Memorial Day gives us the opportunity to honor the sacrifices of those who have served our country, as well as what we can do to serve our community and each other. When we think about the cost of freedom, it helps us remember to be grateful. It also helps remind us that each of us has the opportunity to make a difference, no matter how big or small.

Story of Self

I don't ever want to forget what a privilege it is to be an American citizen, and that I have so many opportunities to help and serve. It is one of the many reasons I decided to go into Public Service.

Story of Us

One of the biggest challenges we've faced together is COVID-19. We rallied together to find ways to navigate uncharted territory, we haven't experienced anything like this before! But to see Mukilteans find ways and means to stay connected, and keep each other safe and healthy, is a great example of what it looks like to serve your community.

Story of Now

As we continue to rise from the effects of COVID-19, as more become vaccinated and we start to see the return to some normalcy right around the corner, I want to recognize all who contributed to helping us get to this point.
