Meeting Summary

Meeting Objective: Advancing the cause of Public Safety in the Community.

1. Commander Kang provided an update on the Police Department.
2. The committee discussed the traffic calming program and areas of complaints.
3. The committee participated in a conversation with the Fire District 1 representatives on items of mutual interest, including an update on the District 1/Lynnwood project, opportunities to build on the strengths of both departments, and input on the direction of an ILA after the current one expires 12/31/16. A/C Eastman provided costs and formulas for specific areas of interest. The committee and district representatives agreed to meeting again at the May PSC meeting. Note that at the conclusion of the meeting, the Committee added a meeting on March 29th to discuss this item further and invited FD 1 representatives to attend the April PSC meeting.
4. Chief Alexander provided a brief update on the Fire Department and the committee reviewed the facility renewal work that has been done.

Next Meeting: March 29, 2016 at 5:30 p.m. at City Hall.
