Mukilteo Robbery Suspects Apprehended

(MUKILTEO, WA) On Monday, June 17, 2019, at approximately 6:52 A.M., Mukilteo Police responded to the 1500 block of Mukilteo Speedway and contacted a female victim who was robbed at knifepoint.

The victim reported she was walking near the 1500 block of Mukilteo Speedway where she was approached from behind by two male subjects. One of the males demanded her bag and after he produced a knife she complied. The two male subjects got into an awaiting vehicle, later determined to be an unreported stolen vehicle, and they left the location southbound on Mukilteo Speedway.

The suspects and vehicle description was shared with neighboring law enforcement agencies. As officers were investigating the robbery they were informed that two subsequent robberies were committed outside of the City of Mukilteo. The vehicle was located by the Snohomish County Sherriff's Office and after a short pursuit four juvenile subjects were arrested and booked into Denny Juvenile Justice Center.

Police Chief Cheol Kang said, "I appreciate the relationship we have with our law enforcement partners. This incident is indicative of how important these working relationships are when investigating crimes."

The investigation is ongoing and there are no safety concerns to the community relative to this incident.
