

## **Notice of Noise Variance Application Opportunity to Comment**

The City of Mukilteo has received a temporary Noise Variance application (City File No. VAR-ADMIN-2019-001) from the Washington State Department of Transportation (WSDOT) under Mukilteo Municipal Code (MMC) Chapter 8.18 Noise Control, and Washington Administrative Code (WAC) 173-60-050, Exemptions. The purpose of the WSDOT Noise Variance application is to perform pedestrian bridge retrofit and upgrade ADA ramps between 2<sup>nd</sup> Street and the Mukilteo Ferry Terminal for 35 non-consecutive nights beginning March 1, 2020 and completed by December 31, 2020.

### **APPLICANT:**

Washington State Department of Transportation

### **DESCRIPTION OF PROJECT:**

WSDOT has applied for a noise variance to complete work outside of the City's approved construction hours (seven (7) a.m. to nine (9) p.m.) to rehabilitate bridge deck pavement and widen the east sidewalk along SR 525 over Bridge No. 525/010 between 2nd Street and the Mukilteo Ferry lane. Additional items of work and amenities include a raised crosswalk at SR 525 and 2nd Street, stair access to and from various locations on SR 525, a path to the City Park and beach under the bridge, and an overlook plaza at the northeast corner of SR 525 and 2nd Street. Other construction activities include, but are not limited to, pavement repair, temporary erosion and sediment control, and traffic control.

WSDOT's noise variance application states that WSDOT will construct night work for 35 non-consecutive nights to be used intermittently throughout the duration of the project. WSDOT anticipates that this project will begin construction by March 1, 2020 and completed by December 31, 2020.

### **LOCATION OF PROPOSAL:**

SR 525 between 3rd Street and the Mukilteo Ferry holding lanes.

### **OPPORTUNITY TO COMMENT:**

The City welcomes public comments on the noise variance application proposal. Comments will be accepted through **Friday, October 18, 2019, 4:30pm**. Following the public comment period the City will issue a decision on the noise variance request.
